NORTH WEST

Recently Completed Projects

Burnley Community Centre Renovation

A comprehensive refurbishment of an existing community centre, improving the building to create a brighter, more functional and welcoming environment for local residents, community groups and events.

What we do

JET Developments provides a coordinated turnkey construction service, supporting projects from the earliest design stage through pre-construction planning, site delivery, finishing, quality assurance and handover. We work across new build developments, conversions, refurbishments and HMOs, tailoring our approach to the individual requirements of each project.

OUR PROJECT JOURNEY

A selection of our work.

NEW BUILD / CONVERSION / REFURBISHMENT / HMO

Stockport

26 NO. ONE & TWO BEDROOM APARTMENTS / CONVERSION

Conversion of an existing building to create a 26-apartment residential scheme, comprising a mix of one and two bedroom homes.

Salford

RENOVATION / HMO SCHEME

Renovation and refurbishment of an existing property to create high-quality HMO accommodation.

Lancaster

LUXURY 5 BEDROOM DETACHED NEW BUILD

A luxury five-bedroom detached new build dwelling, delivered with a focus on quality, detailing and finish.

WHY CHOOSE US?

A trustworthy contractor from start to finish.

At JET Developments, we believe successful construction is built on trust, communication and consistent delivery. As a family-run business, we take a hands-on approach to every project, working closely with our clients from the earliest design stages through to completion and handover.

Our experienced team coordinates each stage of the construction process with a focus on quality workmanship, health and safety, programme management and attention to detail. Whether delivering a new build development, conversion, refurbishment or HMO, our aim is simple: to provide a professional, dependable service and a finished project our clients can be proud of.

QUALITY • COMMUNICATION • SAFETY • RELIABILITY • DELIVERY
